MS: AMENDMENT

Commissioner For Patents
POB 1450
Alexandria, VA 22313-1450

December 23, 2004

Sir:

In supplement to the responsive amendment filed on December 22, 2004, and in reply to the Examiner's refusal to consider the listed foreign patent documents with regard to the IDS submitted on December 24, 2003, enclosed herewith is a newly prepared listing of the same three (3) foreign patent documents in form PTO/SB/08A along with copies thereof for the Examiner's consideration. The submission of the copies of these documents is being provided as a courtesy to the Examiner. That is, the submission with this filing of a new listing of the three earlier listed foreign patent documents does not constitute a newly filed IDS since the earlier submitted IDS, it is believed, was in compliance with the appropriate rules and USPTO guidelines pertaining thereto.

It should also be noted that this new listing with copies of the three foreign patent documents was intended to accompany the responsive amendment filed yesterday, December 22, 2004, but, however, was inadvertently omitted therefrom. The Examiner will note that on page 16 of the Remarks of the Amendment, discussion related thereto was provided.

Acceptance and formal entry of this paper as part of the earlier submitted IDS is respectfully requested.

If any costs are due in connection with the filing of this paper, please charge them to the Deposit Account of Antonelli, Terry, Stout & Kraus, LLP, Dep. Acct. No. 01-2135 (501.39155VC2), and please credit any excess fees to such deposit account.

Respectfully submitted,
ANTONELLI, TERRY, STOUT & KRAUS, LLP
